### **EDUCATION**

M.B.A., J.L. Kellogg Graduate School of Management, Northwestern University, Evanston, IL, 1998  
M.D., **cum laude**, Harvard Medical School, Boston, MA, 1968  
B.A., Reed College, Portland, OR, 1964

### **POSTGRADUATE TRAINING**

Visiting Scientist, Biogen Research Corporation, Cambridge, MA, 1987-88  
Research Fellow in Dermatology, Harvard Medical School, Children's Hospital Medical Center,  
Boston, MA, 1974-75  
Assistant in Medicine, Senior Fellow (Resident) Division of Dermatology, Dept. of Medicine,  
University of Washington, Seattle, WA, 1972-74  
Resident, Dept. of Medicine, University of Washington Affiliated Hospitals, Seattle, WA, 1971-72  
Fellow, Research Training Unit, Dept. of Medicine, University of Washington, Seattle, WA, 1969-71  
Intern, Boston City Hospital, Boston, MA, 1968-69

### **BOARD CERTIFICATION**

Diplomate, American Board of Dermatology, 1975  
Diplomate, American Board of Internal Medicine, 1973  
Diplomate, National Board of Medical Examiners, 1969

### **LICENSURE**

State of New York, 1989  
State of California, 1969

## HOSPITAL APPOINTMENTS

Designated Education Officer, Veterans Administration Hospital, Buffalo, NY, 2009-  
Chief of Dermatology, Veterans Administration Hospital, Buffalo, NY, 2000-00  
Clinical Director of Dermatology, Kaleida Health, Buffalo, NY, 1998-00  
Chief of Dermatology, Veterans Administration Hospital, Buffalo, NY, 1995-97  
Chief, Department of Dermatology, Children's Hospital of Buffalo, Buffalo, NY, 1991-98  
Chief, Department of Dermatology, Buffalo General Hospital, Buffalo, NY, 1989-98  
Associate Dermatologist-in-Chief, New England Medical Center, Boston, MA, 1986-89  
Director, Phototherapy Unit, Dept. of Dermatology, New England Medical Center, Boston, MA,  
1985-87  
Physician, Dept. of Medicine, New England Medical Center, Boston, MA, 1982-89  
Dermatologist, Dept. of Dermatology, New England Medical Center, Boston, MA, 1982-89  
Assistant Physician, Dept. of Medicine, New England Medical Center, Boston, MA, 1977-82  
Chief, Dermatology Section, Dept. of Medicine, Veterans Administration Hospital,  
Seattle, WA, 1975-77  
Assistant in Medicine, Beth Israel Hospital, Boston, MA, 1974-75  
Fellow, Dept. of Medicine (Dermatology), Children's Hospital Medical Center, Boston, MA, 1974-75

## FACULTY APPOINTMENTS

Professor and Chair Emeritus, Department of Dermatology, University at Buffalo, Buffalo, NY,  
2001-  
Professor, Department of Medicine, University at Buffalo, Buffalo, NY, 1989-00  
Professor and Chair, Department of Dermatology, School of Medicine and Biological Sciences,  
University at Buffalo, Buffalo, NY, 1989-00  
Vice-Chairman, Dept. of Dermatology, Tufts University School of Medicine, Boston, MA, 1982-89  
Associate Professor, Dept. of Medicine, Tufts University School of Medicine, Boston, MA, 1982-89  
Associate Professor, Dept. of Dermatology, Tufts University School of Medicine, Boston, MA, 1982-  
89  
Assistant Professor, Dept. of Dermatology, Tufts University School of Medicine, Boston, MA, 1979-  
82  
Lecturer, Dept. of Medicine, Boston University School of Medicine, Boston, MA, 1977-89  
Member, Dept. of Immunology, Tufts University School of Medicine, Boston, MA, 1977-89  
Assistant Professor, Dept. of Medicine, Tufts University School of Medicine, Boston, MA, 1977-82  
Assistant Professor, Dept. of Medicine, University of Washington, Seattle, WA, 1975-77

## AWARDS AND HONORS

The World Who's Who of Women, 1996  
Herman Gardner Memorial Lecturer, Baylor College of Medicine, 1995  
Eduard G. Friedrich Memorial Lecturer, University of Florida, 1994  
Best Doctors in America, 1993-  
Clinical Investigator Award, National Institutes of Health, 1978-81  
Research Associate, Veterans Administration, 1975-77  
Dermatology Foundation Fellowship, 1974-75, 1977-78  
Alpha Omega Alpha, Harvard Medical School, 1968  
Phi Beta Kappa, Reed College, 1964

## **ACADEMIC APPOINTMENTS AND PROFESSIONAL WORK EXPERIENCE**

### **Designated Education Officer, Buffalo Veterans Administration Hospital (VAWNY Healthcare System), Buffalo, NY, 2009-present**

#### **Key Responsibilities:**

- Provide leadership and oversee graduate medical education (GME)
- Manage relationships with the University at Buffalo and other academic partners in Buffalo
- Develop programs and policies to assure compliance with national standards

#### **Key Accomplishments:**

- Created organizational structures to coordinate GME with improved management and administrative oversight
- Implemented new processes to improve documentation, compliance, and monitoring, achieving national expectations
- Enhanced recognition of Buffalo GME on both a local and national level, increasing numbers of funded GME positions by more than 10% through competitive RFPs

### **Founding Director, The RAISE Project, Society for Women's Health Research, Washington, DC, 2005–present**

#### **Key Responsibilities:**

- Provide leadership to innovative national program
- Establish national program to enhance recognition of women's achievements in science, technology, engineering, mathematics and medicine
- Represent project to national foundations, professional organizations, and educational institutions
- Set policy and procedures to sustain project goals
- Secure funding to provide fiscal stability
- Dialogue with national leaders in women's career development to promote recognition of The RAISE Project
- Oversee development of website and communication activities
- Assure efficient fiscal management of resources

#### **Key Accomplishments:**

- Secured start-up funding from the Alfred P. Sloan Foundation
- Launched dynamic website currently cataloguing and displaying over 500 awards
- Analyzed award data to substantiate discrepancy between awards received by men and women
- Presented findings and activities to national organizations including the AAMC
- Created national presence of The RAISE Project through public recognition and media discussion
- Initiated national discussion of importance of equity in scientific awards
- Partnered with Association for Women in Science to promote a Culture of Celebration and Recognition
- Established a National Advisory Board with a broad based coalition of support from leaders in science, technology, engineering, and medicine
- Recognized in national press including Science Magazine and The Scientist

### **Chief Academic Affiliations Officer, Office of Academic Affiliations, Veterans Health Administration, Department of Veterans Affairs, 2000–2004**

#### **Key Responsibilities:**

- Led health professions education mission of VA (The VA is the nation's largest provider of health professional education, with over 76,000 trainees, including almost 28,000 medical residents, 16,000 medical students, and 32,000 associated health students who participate in clinical training every year)
- Oversaw operation of VHA's educational activities, including its affiliations with 107 medical schools, and approximately 1500 affiliations with other academic schools and programs
- Developed and implemented policy regarding all aspects of the health professions education programs with VHA's 163 facilities
- Managed efficient resource allocation of the more than \$450M educational budget in support of VA's health professional education mission
- Allocated salary support for almost 9,000 paid medical resident positions and 3500 paid positions in associated health including nursing, podiatry, optometry, psychology, and audiology
- Advised Deputy Under Secretary for Health and the Under Secretary for Health on matters related to education of future health care professions
- Managed relationship between VA and its academic partners through communication with affiliates and the Association of American Medical Colleges
- Represented VA at national organizations concerned with education of health professionals, (including the federally chartered Council on Graduate Medical Education, the National Board of Medical Examiners, and the Accreditation Council for Graduate Medical Education)
- Represented educational mission of VA in national forums such as the Robert Wood Johnson Foundation National Advisory Committee
- Implemented new directions in VA health care by establishing and maintaining special fellowships to support unique and evolving health care needs
- Monitored trends in health professional education and medical care to align VA programs with national trends

**Key Accomplishments:**

- Developed mission statement and strategic plan for the Office of Academic Affiliations which served as the template for guiding OAA's transition from an organization focused solely on resource allocation to one focusing on broad aspects of the educational mission
- Established VHA as a leader in health professional education through creation of Interprofessional fellowships training individuals from diverse medical backgrounds in palliative care and psychosocial rehabilitation. Training in palliative care contained an innovative dissemination project to assure the education benefited the training environment as well as the individual trainee
- Initiated realignment of VA's Special Fellowship Programs with the health care needs of veterans
- Innovated structural redesign in the fellowship programs by creating hub sites for new programs, which integrate curriculum and activities across program sites. These hub sites, through enhanced web-based and video communication, have created a community of VA Special Fellows, achieving new levels of alignment with VA goals and fostering a sense of participation in VA
- Improved communication with field facilities through use of electronic media and customer service orientation
- Established an external advisory committee to solicit broad input on critical issues relating to graduate medical education (Graduate Medical Advisory Committee)
  
- Fostered partnership with diverse stakeholders to develop better processes for registering, credentialing and orienting the over 70,000 trainees
- Reinvigorated VA's academic status through improved relationships with Association of American Medical Colleges and improved communication regarding intellectual property rights

- Achieved national recognition for implementation of the Learners' Perceptions Survey as a measurement tool for assessing the performance of the educational mission of VA
- Recognized as skilled effective leader whose policies created an excellent working environment; OAA was recognized as the most "family friendly" workplace in the 2002 Employee Survey
- Integrated modern technology into office operations to enhance office efficiency
- Advanced change management in high impact areas such as the CARES
- Established personal relationships with field education leaders
- Created new web trainee registration process to identify all individuals receiving clinical training in VA facilities
- Marketed VA's health professional education mission through scholarly publications and participation in academic activities
- Guided HIPPA implementation for trainees across the country
- Initiated comprehensive review of VA's medical resident education portfolio, including geographic distribution, specialty mix, and alignment with affiliated medical schools integrating economic modeling, philosophical framework and VA needs
- Collaborated with National Board of Medical Examiners in developing pilot project to use innovative computer technology to assess physician performance

### **Department of Dermatology, University at Buffalo**

Professor and Chair, 1989-2000

Chief, Department of Dermatology, Kaleida Health, Buffalo, New York, 1998-2000

(Note: Kaleida Health was formed by a merger of hospitals in Buffalo, including Buffalo General Hospital and Children's Hospital of Buffalo)

Chief, Department of Dermatology, Children's Hospital of Buffalo, Buffalo, New York, 1991-1998

Chief, Department of Dermatology, Buffalo General Hospital, Buffalo, New York, 1989-1998

Chief of Dermatology, Veterans Administration Hospital, Buffalo, New York, 1995-1997, 2000

Program Director, Residency Training Program in Dermatology, Graduate Medical and Dental Consortium of Buffalo, 1989-2000

#### **Key Responsibilities:**

- Administrative responsibility for all dermatology activities at university-affiliated teaching hospitals
- Provided academic leadership for all programmatic activities in dermatology, including research, education, and teaching
- Managed departmental faculty clinical practice plan and represented department in university-wide faculty practice plan activities
- Served as Program Director for the Residency Training Program in Dermatology
- Demonstrated national leadership in dermatology through participation in national and international organizations such as the American Academy of Dermatology

**Key Accomplishments:**

- Transformed department through technology, modern clinical practice, and research
- Achieved successful accreditation of residency training program, which had been on probation for over 10 years
- Built highly respected clinical practice with international recognition for dermatologic care of female patients
- Developed clinical research unit, which performed multiple studies funded by the pharmaceutical industry
- Recruited multiple diverse full-time faculty to join the academic department
- Established faculty practice plan for members of the university department
- Received national recognition for leadership in dermatology through election to the American Dermatological Association and the Board of Directors of the American Academy of Dermatology
- Created new programs in career development for the Women's Dermatologic Society
- Elected President of the Women's Dermatologic Society
- Demonstrated national leadership in medicine through election as President of the Harvard Medical School Alumni Association
- Named in "Best Doctors in America"

**Department of Dermatology, Tufts University-New England Medical Center, Boston, MA**

Associate Dermatologist-in-Chief, 1986-89

Vice-Chairman, 1982-89

Dermatologist, 1982-89

Associate Professor, 1982-89

Assistant Professor, 1979-82

**Department of Medicine, Tufts University-New England Medical Center, Boston, MA**

Physician, 1982-89

Associate Professor, 1982-89

Assistant Professor, 1977-82

**Key Responsibilities:**

- Developed grant-funded, peer reviewed research program
- Assumed responsibility for all dermatology education and care pending establishment of a Department of Dermatology; thereafter fully participated in all departmental academic activities
- Participated in graduate education in immunology

**Key Accomplishments:**

- Awarded 15 years continuous NIH funding for research activities in inflammation and host defense, including Clinical Investigator Award from the National Institutes of Health
- Initiated clinical research for evaluation of new pharmaceutical agents in treatment of skin disease
- Participated in first studies showing efficacy of new class of drugs for treatment of psoriasis
- Established internationally recognized clinical practice for evaluation and treatment for female patients with gynecologic dermatologic conditions
- Sabbatical as Visiting Scientist at Biogen Corporation, Cambridge, MA where served as Medical Director for New Product Identification
- Generated sufficient interest for university and hospital to reestablish Department of Dermatology

**Dept. of Medicine, Veterans Administration Hospital, Seattle, WA**

Chief, Dermatology Section, 1975-1977

Assistant Professor, Dept. of Medicine (Dermatology), University of Washington, Seattle, WA 1975-1977

**Key Responsibilities:**

- Oversaw delivery of all dermatologic care at Seattle VAMC
- Developed externally funded laboratory program in dermatology research

**Key Accomplishments:**

- Awarded position of Research Associate in VA Career Development Program
- Established new program for internal medicine residents to learn clinical dermatology

**PROFESSIONAL ORGANIZATIONS (selected)**

**Medical Organizations**

American College of Physician Executives  
Harvard Medical Alumni Association  
American Academy of Dermatology  
American Contact Dermatitis Society  
American Dermatological Association  
Women's Dermatologic Society

**Scientific Organizations**

American Federation for Clinical Research  
Society for Investigative Dermatology  
Association for Women in Science

**UNIVERSITY AND HOSPITAL SERVICE (selected)**

**University Service Committees**

Chair, Finance and Policy Committee, Governing Board of the Faculty Practice Plan, University at Buffalo, 1999-00

Member, Executive Committee of the Governing Board of the Faculty Practice Plan, University at Buffalo, 1999-00

Member, Contract Negotiating Committee, UB Associates (Faculty Practice Plan), University at Buffalo, 1999

Member, Audit Committee of the Governing Board, University at Buffalo, 1998-99

Reallocation Sub-Committee of the Program Directors, Graduate Medical-Dental Consortium, 1996

Member, Governing Board of Faculty Practice Plan, University at Buffalo, 1994-00

Chair, Internal Review Committee for Ophthalmology, University at Buffalo, 1994

Member, Offsite Committee, University at Buffalo, 1993-98

Chair, Internal Review Committee for Pathology, University at Buffalo, 1993

Microbiology Search Committee, University at Buffalo, 1991

Program Directors' Committee, University at Buffalo, 1989-00  
Clinical Council, University at Buffalo, 1989-00  
Executive Committee, University at Buffalo 1989-00  
Student Promotions Committee, Tufts University School of Medicine, 1981-83  
Curriculum Committee, Tufts University School of Medicine, 1980-83

**Hospital Service Committees**

Medical Executive Committee, Kaleida Health (CGF Health System), 1998-00  
Search Committee, Pathologist in Chief, Children's Hospital of Buffalo, 1995  
Executive Committee, Children's Hospital of Buffalo, 1993-95 & 1997-98  
Boundaries Committee, Buffalo General Hospital, 1991-98  
Medical Administrative Committee, Buffalo General Hospital, 1989-98  
Executive Committee, Buffalo General Hospital, 1989-98

**NATIONAL AND INTERNATIONAL PROFESSIONAL SERVICE (selected)**

**American Academy of Dermatology**

Member, Ad Hoc Task Force on Disclosure of Interest, 2003-05  
Member, Ad Hoc Committee on Election Activities, 2001-03  
Member, Board of Directors, 2001-05  
Telecommunications Task Force, 1995-99  
Research Priorities Committee, American Academy of Dermatology, 1984-87

**American Contact Dermatitis Society**

Membership Committee, 1995-96  
Nominating Committee, 1994-95  
Liaison Committee, 1993-96

**American Dermatologic Association**

Chair, Audit Committee, 1998

**American Medical Association**

Delegate to the Women Physician Leaders Summit, 1994

**Association of Academic Health Centers**

Council on Health Workforce and Education, 2003-04

**Association of Professors of Dermatology**

Chair, Program Committee, 1995  
Program Committee, 1993-96

**Council on Graduate Medical Education**

VA Representative, 2001-04

**Harvard Medical School**

President, Harvard Medical Alumni Association, 1995-96  
President-Elect, Harvard Medical Alumni Association, 1993-95  
Advisory Committee - Women in Medicine, 1994  
Boston Alumni Committee, 1988  
Councilor, Harvard Medical School Alumni Association, 1980-82

**International Society for the Study of Vulvar Disease**

Editorial Board, *Vulvo-Vaginal Review*, 1988  
Executive Council, 1985-87

**National Board of Medical Examiners**

VA Representative, 2001-04  
Member, Nominating Committee, 2001-02

**National Institute of Health**

NIH Study Section for Asthma, Allergic, and Immunologic Diseases Cooperative Program, 1993

**Robert Wood Johnson Clinical Scholars**

National Advisory Committee (VA Liaison), 2001-04

**Society of Investigative Dermatology**

Chair, Joint Committee for Advancement of the Dermatological Health of Women, 1996-97  
Delegate to the Consortium for Skin Research, 1996  
Delegate to Joint Commission for Advancement of the Dermatologic Health of Women, 1994-98  
Chair, Committee on Government and Public Relations, 1992-96

**Women's Dermatologic Society**

Co-Chair, Audit Committee, 2007-present  
Member, Executive Committee, 2001-02  
President, 2000-01  
Vice President (President Elect), 1999-00  
Chair, Audit Committee, 1998-99  
Member, Long Range Planning Committee, 1995-97  
Director, Leadership Career Development Workshop, 1994-96  
Board of Directors, 1992-96

**COMMUNITY SERVICE**

Board of Directors, CEPA (Center for Environmental and Perceptual Art), Buffalo, New York, 1994-96, 2009-present  
Medical Advisory Committee, AIDS Community Services of Western New York, Inc., 1996-00  
Quality Assurance/Risk Management Committee of Community Blue Insurance, 1990  
Medical Advisory Board, Scleroderma Association, 1986-88

## **TEACHING ACTIVITIES (selected)**

### **Academic Teaching Activities**

Co-Director, Dermatology – Practice Pearls in Primary Care (a CME course for primary care physicians), University at Buffalo, 1996-97  
Introduction to Clinical Medicine, University at Buffalo, 1989-96  
Director, Dermatology Section, Postgraduate Medical Institute, Boston, MA, 1987-88  
Member and Lecturer, Immunology Faculty of Sackler School for Graduate Biomedical Studies, Tufts University School of Medicine, 1985-89  
Program Director, American Academy of Dermatology Annual National Meeting, 1985-89  
Director, Postgraduate Course Dermatology Update for Office Practice, 1985-87  
Postgraduate Review of Advances in Internal Medicine, Department of Medicine, Tufts, 1984-87  
University School of Medicine  
Thesis Advisor for Peggy Cammaratta, Masters Degree in Immunology, Tufts University School of Medicine, 1984  
Co-Director, Postgraduate Course Dermatology Update, Tufts University School of Medicine, 1983  
Visiting Professor Program, Tufts University School of Medicine, Rumford, ME, 1982-86  
Director, Second Year Course in Dermatology, Tufts University School of Medicine, 1979-85

### **Professional Development Activities**

Faculty, Hedwig van Ameringen Executive Leadership in Academic Medicine (ELAM) Program for Women, Drexel University College of Medicine, Philadelphia, PA, 2005-06  
National Coach, Advanced Clinic Access Systems Improvement Project, Department of Veterans Affairs, Washington, DC, 2002-03  
Faculty, Association of American Medical Colleges Mid-Career Women Faculty Professional Development Seminar, Washington, DC, 2001-03

## **CLINICAL RESEARCH ACTIVITIES**

Director, Clinical Research Unit, Department of Dermatology, University at Buffalo, 1990-00  
Principal Investigator, Study of RO-15-1570 in Photoaging, New England Medical Center, 1988-89  
Co-Investigator, “Treatment of Psoriasis with 1,25-Dihydroxyvitamin D3,” New England Medical Center, 1988-89  
Director, Phototherapy Unit, Department of Dermatology, New England Medical Center, 1985-87

## **CORPORATE ACTIVITIES**

Member, The Cosmos Council, Washington, DC, 2006-present  
Consultant Medicis Pharmaceutical Corporation, 2000  
Consultant/Speaker, Novartis Pharmaceutical, 1997-98  
Consultant, Hoffman-La Roche Pharmaceutical, Soriatane Advisory Board, 1997-98  
Consultant, Allergan Pharmaceutical, 1995-98  
Consultant, Asta Pharmaceutical, 1993  
Consultant, Bristol-Myers Squibb, 1989-96  
Medical Director for New Product Identification, Biogen Corporation, Cambridge, MA, 1988-89  
Consultant, Schering Corporation, Bloomfield, NJ, 1985

## **REVIEWER FOR REFERRED JOURNALS (selected)**

Journal of Immunology  
New England Journal of Medicine  
Journal of Investigative Dermatology  
Journal of the American Medical Association  
Archives of Dermatology  
Journal of the American Academy of Dermatology  
Journal of Histochemistry and Cytochemistry  
Journal of Immunologic Methods  
Journal of Women's Health

## **RECENT PRESENTATIONS**

### **2009**

American Academy of Dermatology Annual Meeting, "Pharmaceutical Compliance Update: What Clinicians and Educators Need to Know," invited presentation, San Francisco, CA, 3/6/09

University of Rochester School of Medicine and Dentistry, Leadership Development for Mid-Career Faculty, "The RAISE Project: Recognizing the Achievements of Women in Sciences and Medicine," invited presentation, Rochester, NY, 1/26/09

### **2008**

Tufts Symposium on Women in Science, Medicine and Engineering, "Women and Leadership," invited presentation, Boston, MA, 4/4/08

National Institute of Environmental Health Sciences Women's History Month Lecture Series, "RAISE-ing the Status of Women in Science, Medicine and Engineering," invited presentation, Research Triangle Park, NC, 3/10/08

### **2007**

AAMC WIM/SELAM Plenary Session, Women's Academic Advancement: The Influence of Language, "The RAISE Project," presentation and panel, New York, NY, 11/4/07

AAMC Physician Workforce Research Conference, "Women in the Physician Workforce: Maximizing Contributions and Improving the Success of Women in Academic Medicine," presentation and moderator of panel, Bethesda, MD, 5/3/07

### **2006**

AAMC Physician Workforce Research Conference, "Women in the Physician Workforce: Maximizing Contributions and Anticipating Generational Shifts," presentation and moderator of panel, Washington, DC, 5/5/06

AAMC Physician Workforce Research Conference, "The Federal Role in Medical Education: VA and DOD" presentation and plenary panel discussion, Washington, DC, 5/4/06

Office of Women's Careers Brigham and Women's Hospital, Harvard Medical School, "Having It All: From All at Once to All in Time," faculty development program, Boston, MA, 2/14/06

### **2005**

American Association of University Women, "Having It All: From All at Once to All in Time,"  
Alexandria VA, 12/10/05

AAMC Physician Workforce Research Conference, "Women in the Physician Workforce: Can the  
United States Learn from International Experiences? Poster presentation, Washington, DC,  
5/5/05

AAMC Physician Workforce Research Conference, "Women in the International Physician Workforce:  
Implications for Workforce Planning," presentation, Washington, DC, 5/5/05

AAMC Physician Workforce Research Conference, Women in The Physician Workforce: Implications  
for Workforce Planning, panel moderator and organizer, Washington, DC, 5/5/05

Leonard M. Miller School of Medicine, University of Miami, "From "Glass Ceiling to Quicksand:  
Planning Your Career," presentation to students, Miami, FL, 4/27/05

Leonard M. Miller School of Medicine, University of Miami, "From "Glass Ceiling" to Quicksand:  
Improving the Success of Women in Medicine," presentation to faculty, Miami, FL, 4/26/05

Leonard M. Miller School of Medicine, University of Miami, "From "Glass Ceiling to Quicksand:  
Implications for Faculty Recruitment and Retention," presentation to Department Chairs, Miami,  
FL, 4/26/05

## **PRESENTATIONS IN NATIONAL VA POSITION (selected)**

### **2004**

VA National Quality Scholars Summer Institute, "Quality Scholars with VA National Goals", Lake  
Fairlee, VT, 8/6/04

### **2003**

Advanced Clinic Access and Resident Clinics, "Adapting Advanced Clinic Access to Resident Clinics",  
VA Central Office, Washington, DC, 1/9/03

Council of Teaching Hospitals and Health Systems Spring Meeting, "Moderator for Panel on Current  
Issues in VA's Educational Affairs", Phoenix, AZ, 3/6/03

### **2002**

Physician Residents Satisfaction in VA – An Analysis and Reflection, VA Central Office, Washington,  
DC, 12/4/02

Special Medical Advisory Group, "Current Issues in VA's Educational Activities, VA Central Office,  
Washington, DC, 9/25/02

National Leadership Board, "Creating and Expanding Hospice & Palliative Care Programs in VA",  
Washington, DC (OAA & Geriatrics & Extended Care), 4/16/02

Baldrige Team Leaders Meeting, "Process Management in VA", Washington, DC, 4/15/02

Department of Dermatology, University of Alabama, "What's in it for me? Medical Education and the  
VA", Birmingham, AL, 3/7/02

**2001**

- National Leadership Board, “Learners’ Perceptions: A Tool for Assessment of the Education Mission”, Washington, DC, 10/16/01
- Yale University Department of Dermatology, “What’s in it for me? Medical Education and the VA”, Yale University, New Haven, CT, 10/10/01
- Association of VA Chiefs of Medicine Annual Meeting, “The VA Horizon: Challenges and Opportunities”, San Diego, CA, 8/29/01
- Association of American Medical Colleges, Group on Resident Affairs, “VA Update: An Overview of Education in VA”, Scottsdale, AZ, 5/1/01
- Special Medical Advisory Group, “VA Role in Graduate Medical Education”, VA Central Office, Washington, DC, 4/11/01
- National Association of VA Dermatologists, American Academy of Dermatology, “Perspectives on VA’s Academic Mission”, Washington, DC, 3/3/01

**INVITED LECTURES AND VISITING PROFESSORSHIPS (selected)**

**1999**

- Invited Speaker, Dermatology Foundation Sixteenth Annual Winter Colloquium
- Invited Speaker, Pennsylvania Academy of Dermatology

**1998**

- Invited Speaker, Dermatologic Issues for the Primary Care Physician, New York, New York
- Invited Speaker, Dermatologic Essentials for Gynecologic/Obstetric Physicians, Dept. of Gynecology and Obstetrics, University at Buffalo
- Invited Speaker, Psoriasis: A Therapeutic Update, Pittsburgh Dermatology Society
- Visiting Professor, Department of Dermatology, University at Brooklyn

**1997**

- Invited Speaker, Dermatology for the Non-Dermatologist, CMEA/San Diego State University
- Invited Speaker, Vulvar Disease, City Wide Grand Rounds, Dept of Gynecology and Obstetrics, State University of New York at Buffalo

**1996**

- Director, Genital Disease Forum, American Academy of Dermatology
- Invited Speaker, What’s New in Dermatology?, American Academy of Dermatology
- Invited Speaker, Dermatology for the Internist, Medical Ground Rounds, University at Buffalo
- Invited Speaker, Dermatology for Ophthalmologists, Ophthalmology Grand Rounds, University at Buffalo

**1995**

- Herman Gardner Memorial Lecturer, Baylor College of Medicine, 12<sup>th</sup> Biennial Conference on Diseases of the Vulva and Vagina
- Director, Genital Disease Forum, American Academy of Dermatology
- Invited Speaker, Harvard Medical Alumni Association

**1994**

Eduard G. Friedrich Memorial Lecturer, University of Florida  
Invited Speaker, Israel Society for the Study of Vulvovaginal Diseases, International Conference on  
Lower Female Genital Tract Diseases, Israel  
Visiting Professor, Brown University School of Medicine, Providence, Rhode Island  
Director, Genital Disease Forum, American Academy of Dermatology

**1993**

Director, Dermatology for the Office, A Course for Primary Care Physicians, University at Buffalo

**1992**

Dermatology Update, American Academy of Dermatology, New York City, "Mentioning the  
Unmentionable"  
Visiting Professor, Department of Dermatology, Oregon Health Sciences University

**1991**

Participant, Genital Disease Forum, American Academy of Dermatology  
Invited Speaker, Chicago Dermatology Society  
New England Dermatologic Society Clinical Day

**1990**

Participant, Genital Disease Forum, American Academy of Dermatology  
Visiting Professor, Department of Dermatology, University of Missouri School of Medicine  
Visiting Professor, Department of Dermatology, State University of New York Health Sciences  
Center at Brooklyn

**1989**

Director, "Do Drugs Work? And How!" Symposium, American Academy of Dermatology  
Visiting Professor, Department of Dermatology, New York University

**1988**

Director, "Do Drugs Work? And How!" Symposium, American Academy of Dermatology  
Visiting Lecturer, Elizabeth Garrett Anderson Hospital, London, England

**1987**

Director, "Do Drugs Work? And How!" Symposium, American Academy of Dermatology  
Genital Diseases in the Elderly and Vulvar Diseases in the Elderly, Westwood Carolina Conference  
on Clinical Dermatology, Hilton Head, NC  
Memorial Day Program, Department of Obstetrics and Gynecology, Queen's University, Kingston,  
Ontario

**1980-1986**

Department of Dermatology, Yale University School of Medicine  
Department of Dermatology, Emory University, Atlanta, GA  
Department of Dermatology, Columbia University, New York, NY  
Department of Dermatology, Baystate Medical Center, Springfield, MA  
Lupus Education Day sponsored by the National Inst. Of Health  
Director, "Do Drugs Work? And How!" Symposium, American Academy of Dermatology (1985-  
1989)  
New England Dermatology Society

Meet the Professor, American College of Physicians Annual Meeting, (1985-1988)  
Director, "Problems in Vulvar Disease," Focus Session, American Academy of Dermatology, (1985-1987)  
Visiting Professor Program, Tufts University School of Medicine (Rumford Community Hospital, Rumford, ME, Choate Hospital, Woburn, MA)  
"Vulvar Intraepithelial Neoplasia" Massachusetts General Hospital, Boston, MA  
"Diseases of the External Female Genitalia" Department of Dermatology, New York University Medical Center (Advances in Dermatology Course) (1985)  
"Functional Studies of Eosinophils" University Hospital, Department of Clinical Chemistry, Uppsala, Sweden (1985)  
"Functional Studies of Eosinophils" University of Lund, Lund, Sweden  
Recent Advances in Internal Medicine, Tufts University School of Medicine (1984-1988)  
"Eosinophils in Immunological Reactions" Sixth International Congress on Immunology, Toronto, Canada (1982)

## **GRANT SUPPORT**

"Partnerships for Adaptation, Implementation and Dissemination (PAID): Advancing Ways of Awarding Recognition in Discipline-Related Professional Societies (AWARDS)", Co-Principal Investigators: Betsy Kean, Anne Lincoln, Janet Bandows Koster, Stephanie H. Pincus., Association for Women in Science and Society for Women's Health Research, National Science Foundation, 9/1/2009-8/31/2012 Award - \$796,834

"National Awards Clearinghouse to Improve Recognition of the Achievements of Women in Science, Medicine, and Engineering," Principal Investigator: Stephanie Pincus, M.D., Society for Research in Women's Health, Alfred P. Sloan Foundation, 10/05-9/07, Award - \$45,000

"Implementation/Evaluation Evidence-based Coordinators in Residency Training," Co-Investigator: Stephanie Pincus, M.D., Principal Investigator: T. Michael Kashner, VA HSR&D/VISN Implementation Collaborative Planning Grant, 1/04-6/04, Award - \$50,000

"Eosinophils in Cancer," Principal Investigator: Stephanie Pincus, M.D., Troup Foundation Grant, 7/95-6/96, Award - \$22,500

"Eosinophils in Cancer," Principal Investigator: Stephanie Pincus, M.D., Troup Foundation Grant, 7/94-6/95, Award - \$22,500

"Eosinophils in Cancer," Principal Investigator: Stephanie Pincus, M.D., Troup Foundation Grant, 7/93-6/94, Award - \$22,000

"Eosinophils in Cancer," Principal Investigator: Stephanie Pincus, M.D., Troup Foundation Grant, 7/92-6/93, Award - \$21,000

"Eosinophils in Neoplastic Disease," Principal Investigator: Stephanie Pincus, M.D., Troup Foundation Grant, 7/91-6/92, Award - \$18,000

"Eosinophil-Mediated Fibrosis," Principal Investigator: Stephanie Pincus, M.D., Scleroderma Foundation, 7/90-6/91, Award \$33,300

Allergic Disease Center Grant: Project 1, "Lymphocyte-Eosinophil Interactions," Principal Investigator, Stephanie H. Pincus, M.D., National Institutes of Health, 9/88-8/93, Award - \$313,000

"Cellular Interactions: Lymphocytes and Eosinophils," Principal Investigator: Stephanie H. Pincus, M.D., National Institutes of Health, 7/82-8/88, Award - \$962,000

"The Eosinophil Peroxidase System," Principal Investigator: Stephanie H. Pincus, M.D., National Institutes of Health, 12/79-5/88, Award - \$900,609

"Drug Effects on Leukocyte Function," Principal Investigator: Stephanie H. Pincus, M.D., Upjohn Company, 9/79-8/80, Award - \$6,000

## **CLINICAL RESEARCH STUDIES**

"A Clinical Study Evaluating the Safety and Efficacy of Azelaic Acid 20% Cream Used in Combination with M.D. Forte Facial Lotions Compared with Tretinoin 0.025% Cream Used in Combination with a Vehicle in the Treatment of Individuals with Acne Vulgaris," Allergan Pharmaceutical, 1/97-1/98, Award - \$29,243

"Dovonex (Calcipotriene Ointment) 0.005% in the Treatment of Actinic Keratoses," Bristol-Myers Squibb, 6/96-10/96, Award - \$20,982

"A Comparison of Azelaic Acid 20% Cream Compared with the Vehicle in the Treatment of Individuals with Melasma or Other Forms of Facial Hyperpigmentation," Allergan Pharmaceutical, 2/96-2/97, Award - \$38,805

"Investigator-Masked Study of the Safety and Efficacy of Tazarotene (AGN 190168) 0.1% Gel Plus Corticosteroid Cream or Placebo Cream each Applied Once-Daily for 12 Weeks in the Treatment of Plaque Psoriasis," Allergan Pharmaceutical, 2/96-1/97, Award - \$23,700

"An Open-Label Multicenter Trial to Evaluate the Safety and Effectiveness of Various Treatment Durations of Terbinafine in Patients with Onychomycosis of the Toenails," Sandoz, 8/95-12/96, Award - \$9,000

"An Initial Phase II, Double-Blind, Parallel-Group, Dose-Ranging Study of BMS-181162 1% and 5% Solutions versus their Vehicle in the Treatment of Atopic Dermatitis," Bristol-Myers Squibb, 3/95-6/95, Award - \$27,214

"An Initial Phase II, Double-Blind, Parallel-Group, Dose-Ranging Study of BMS-181162, 1% and 5% Solutions versus their Vehicle in the Treatment of Plaque Psoriasis," Bristol-Myers Squibb, 3/95-9/95, Award - \$29,520

"A Randomized, Double-Blind Matched-Pair Comparison of Kamillisan Cream vs. Placebo Cream in the Prevention of Radiation Dermatitis of the Ear Pinnae and Subauricular Fold in Patients Receiving Bilateral Irradiation of the Head," Asta Medica, Inc., 6/94-10/94, Award - \$39,791

"A Double-Blind, Parallel Study of the Efficacy and Safety of Calcipotriene Cream 0.005% versus its Vehicle in the Treatment of Plaque Psoriasis," Bristol-Myers Squibb, 2/94-7/94, Award - \$28,000

“An Open Label, Compassionate Use Study Monitoring the Long Term Safety and Efficacy of Topical Naloxone Lotion, 0.5% in Subjects with Pruritic Mycosis Fungoides or Sezary Syndrome,” GenDerm Corp., 6/93-6/95

“A Double-Blind, Randomized, Vehicle-Controlled Crossover Study Evaluating the Safety and Efficacy of Topical Naloxone Lotion, 0.5%, in Subjects with Pruritic Mycosis Fungoides or Sezary Syndrome,” GenDerm Corp, 06/93-10/94, Award - \$33,125

“A Double-Blind, Vehicle-Controlled, Parallel-Group Study of the Efficacy and Safety of Lac-Hydrin 12% Cream versus Vehicle in Subjects with Ichthyosis Vulgaris” Bristol-Myers Squibb, 6/93-12/93, Award - \$23,625

“An Open, Phase I Tolerance and Efficacy Study of Cytarabine in the One Week Treatment of Condyloma Acuminatum,” Chemex Pharmaceuticals, Inc., 4/93-9/93, Award - \$24,993

“A Randomized, Double-Blind, Parallel Group Comparison of the Efficacy and Safety of Calcipotriene 0.005% Ointment versus Fluocinonide 0.05% Ointment (Lidex) in the Treatment of Plaque Psoriasis,” Bristol-Myers Squibb Co., 4/93-6/93, Award - \$16,625

A Double-Blind Parallel Group Comparison of the Efficacy, Safety and Compatibility of Calcipotriene Ointment 0.005% Alone, and in Combination with Halog Ointment 0.1%, Westcort Ointment 0.2% and Hytone Ointment 2.5% in the Treatment of Plaque Psoriasis,” Bristol-Myers Squibb Co., 9/92-1/93, Award - \$23,488

“A Randomized Evaluator-Blind, Within-Subject Comparison of the Microanatomical Effects of Lac-Hydrin 12% Lotion, its Vehicle and no Treatment in Subjects with Ichthyosis Vulgaris,” Bristol-Myers Squibb Co., 1/92-7/92, Award - \$32,574

“A Double Blind Parallel Group Study Utilizing Hematology, Urinalysis Blood and Urine Chemistry and Bone Densitometry to Evaluate the Safety and Efficacy of 0.005% MC 903 ointment versus its Vehicle in the Treatment of Psoriasis, Bristol-Myers Squibb Co., 8/91-3/92, Award - \$88,189

“A Multi-Center, Double-Blind, Controlled Trial Comparing Oral Acyclovir to Oral 256U87 for the Treatment of Herpes Zoster in Immunocompetent Patients Less Than 50 Years Old,” Burroughs Wellcome Co., 3/91-9/92, Award - \$121,000

“A Multi-Center, Double-Blind, Controlled Trial Comparing Oral Acyclovir to Oral 256U87 for the Treatment of Herpes Zoster in Immunocompetent Patients 50 Years of Age & Older,” 3/91-9/92

“A Double-Blind, Parallel Study of the Efficacy and Safety of Calcipotriol Ointment 0.0005% versus its Vehicle in the Treatment of Plaque Psoriasis,” Bristol-Myers Squibb Co., 1/91-6/91, Award - \$27,150

“The Biology of Eosinophils”, Principal Investigator: Stephanie H. Pincus, M.D., National Institute of Health, 12/78-11/81, Award - \$114,400 (Clinical Investigator Award)

Pincus SH, Schooley WR, and DiNapoli AM. Eosinophil function modulated by histamine. *Clin Res* 29:172A, 1981.

Pincus SH, DiNapoli AM, Schooley WR, and Broder S. Functional heterogeneity among eosinophils. *Clin Res* 28:321A, 1980.

Pincus SH, Butterworth A, Vadas M, Robbins M, and David JR. Eosinophil specific non-oxidative killing of schistosomula. *Clin Res* 28:376A, 1980.

Pincus SH. Eosinophil iodination: Regulation by cyclic nucleotides. *Clin Res* 27:244A, 1979.

Pincus SH. Active eosinophil iodination. *Clin Res* 26:300A, 1978.

Pincus SH. Comparative metabolism of eosinophils and neutrophils. *Clin Res* 25:345A, 1977.

Pincus SH and Smith P. A new model for experimental eosinophil production. *Clin Res* 25:100A, 1977.

Pincus SH and Stossel TP. Macrophage plasma membrane: Association with contractile proteins. *Clin Res* 24:109A, 1976.

Stossel TP and Pincus SH. A new macrophage actin-binding protein: Evidence for its role in endocytosis. *Clin Res* 23:407A, 1975.

Pincus SH and Klebanoff SJ. Quantitative leukocyte iodination. *Clin Res* 19:185A, 1971.

## **BOOK CHAPTERS**

Pincus S and Zellis S. Miscellaneous Agents-Vitamin D (calcipotriol). In McDonald C (ed): *Immunomodulatory and Cytotoxic Agents in Dermatology*. Marcel Dekker, Inc., 157-167, 1996.

Pincus SH and Shah F. Classification and Treatment of Inflammatory Diseases of Pregnancy. In Dahl MV and Lynch PJ (eds): *In Current Opinion in Dermatology, Second Edition*, Current Science, 1995.

Shanler SD, Zellis SL, Oseroff AR, and Pincus SH. Application of the Polymerase Chain Reaction to the Diagnoses of Infectious Diseases of the Skin. In Erlich GD and Greenberg SJ (eds): *PCR-Based Clinical Diagnostics*. Blackwell Scientific Publications, Inc., 1994.

Holbrook KA, Pincus S, Parker F, Holloway Jr. GA, Kraning KB, Yancey K, and Lawley TJ. Structure, Function, and Immunology of the Skin. In Middleton Jr. E, Reed CE, Ellis EF, Adkinson Jr. NF, Yunginger JW, and Busse WW (eds): *ALLERGY: Principles and Practice, Fourth Ed, Vol 1*, Mosby Year Book, Inc., 1993.

Pincus SH and McKay M. Disorders of the Anogenitalia of Females. In Fitzpatrick TB, Eisen AZ, Wolff K, Freedberg I, and Austen KF (eds): *Dermatology in General Medicine*. Fourth Ed. 113(1):1463-1481, McGraw Hill, 1993.

Pincus SH. Vulvar Dermatoses and Pruritus Vulvae in *Dermatologic Clinics*. Turner MLC and Marinoff (eds): W. B. Saunders Company, 10(2):297-308, 1992.

Pincus SH. Non-Venereal Diseases of the Female Genitalia. In Moschella SL and Hurley HJ (eds): Dermatologic Medicine and Surgery. W.B. Saunders Company, 1991.

Rocklin R and Pincus SH. Atopic Dermatitis. In Austen KF, Samter M, Talmage D, Claman H, and Frank M (eds): Immunological Diseases. Fourth Ed. Little, Brown & Co., 1988.

Pincus SH and Stadecker MJ. Vulvar Dystrophies and Non-Infectious Inflammatory Conditions. In Wilkinson EJ (ed): Pathology of the vulva and vagina. New York: Churchill Livingstone Inc, 1987.

Pincus SH. Diseases of the Female Genitalia. In Fitzpatrick TB, Eisen AZ, Wolff K, Freedberg IM, and Austen KF (eds): Dermatology in General Medicine. Third Ed. McGraw Hill, 1986.

Pincus SH. Cutaneous Eosinophilic Diseases. In Fitzpatrick TB, Eisen AZ, Wolff K, Freedberg IM, and Austen KF (eds): Dermatology in General Medicine. Third Ed. McGraw Hill, 1986.

Pincus SH. The Eosinophil. In Stone JF (ed): Dermatologic Allergy and Immunology. C.V. Mosby Co., 1985.

Pincus SH. Contact Dermatitis. In Kagan B and Gellis S (eds): Current Pediatric Therapy. W.B. Saunders Co., 1984.

Pincus SH and Wolff SM. Eosinophilic Diseases of the Skin. In Austen KF and Fitzpatrick TB (eds): Update I: Dermatology in General Medicine, McGraw Hill, 1983.

Pincus SH. Dermatologic Care of the Surgical Patient. In Molitch M (ed): Management of Medical Problems in Surgical patients. 3rd Ed. F.A. David Pub. Co., Philadelphia, 1982.

Pincus SH. Dermatology. In Proger S and Barza M (eds): Diagnostic Imperatives. Thieme Stratton, Inc., New York, 1981.
